

Hydrosteer Pty. Ltd.

ABN: 15 006 189 037

9th August 2008

To Whom It may concern,

Hydrosteer has been using the services of Pronet for approximately 5 years. They have looked after the Computer system at our head office and 2 branches in Melbourne and Perth.

Pronet have been directly involved in both the maintenance and development of our system, including supply of new servers and programs.

During this period Pronet have always been ready to help and respond in a timely way to our requirements and needs.

Their level of service and support has been good with well mannered, competent technical staff ready to help.

Yours Sincerely

Engineering Manager
