**TO WHOM IT MAY CONCERN**

13 June, 2001

Our Company, primarily being actively involved in Litigation, Accountancy and Legal areas of the Family Law Court, County Court, Supreme Court, and the Magistrates Court and Taxation have been relying on Pronet Technology for at least five (5) years now.

The Technical support they have given our Company, both over the telephone and in person, over this period has been of the highest quality and they have attended to our computer needs with a matter of urgency. We have never had to wait more than twenty-four (24) hours for someone to attend our office if the need arises.

Our Computers must, at all times, be in one hundred percent working condition due to the demands of our Legal Clients, and the various Courts.

We cannot recommend the Staff of Pronet Technology highly enough as their knowledge and commitment surpasses any other we have dealt with in the past.

Yours faithfully
